Subject: Best Practices/Framework Initiative

Roger:

We need to provide the Operations Planning group with a summary highlight for the march milestone of the best practices/framework initiative ("Presentation to Senior Team - Initial recommendation". Can you please provide me with a brief summary that captures the results/outcome of this milestone?

Also, if you have additional milestones that need to be added to the timeline for this initiative, this would be a good opportunity to capture them.

Operations Planning has asked that we respond some time the week of the 8th if possible.

Please let me know if any questions.

Thanks,
Valerie
